**Subject: Letter of Appreciation for conduct of STEM District Level Deliberation (DLD) Workshop / Discussions - regarding.**

Dear Principal,

Your school volunteered for conduct of DLD Workshop as a 'Lead School' in pursuit of CBSE circular on "STEM Education". The event was brilliantly hosted which demonstrates your commitment in furthering our shared goal of promoting STEM Education.

CBSE consistently pursue activities that are aligned with the recommendations of the NEP 2020. Academic Session 2025-26 is dedicated to "STEM Education" with an objective to create STEM supportive environment. The STEM-District Level Workshops were envisaged by the Board to offer opportunities for showcasing the outcome based STEM related interventions in various schools. By hosting the event in a befitting manner, your school has significantly contributed in fostering scientific temperament aligning with NEP 2020 and making the nation future-ready.

We consider it appropriate to place on record our appreciation for this commendable effort. We look forward for similar enthusiastic participation in all future endeavours aimed at implementing the vision of NEP 2020.

Best Wishes,

Yours sincerely,

**(Manish Kumar Tyagi)**
